

Announcing.....

THE PRESIDENT'S CUP  
February 9, 16 and 23<sup>rd</sup>  
AM and PM Competition

The President's Cup is a 3 week Low Net by Flight event. All MOGA members who play on any of the 3 Thursdays are in the tournament. There are daily prizes for Low Net by Flight with each day's play. Players are awarded points toward the President's Cup according to how they finish in the daily tournaments. One does not have to play all 3 days to participate. The player with the most points over the 3 week period in each flight will be the winner of that flight. The overall champion will be the player with the most points accumulated, regardless of whether they play in the morning or afternoon. A player must play all his rounds in either the morning or afternoon, as points will not be transferred from AM to PM or PM to AM.

Sign up via Chelsea as you would for normal weekly MOGA tournaments.
